Expansion joints

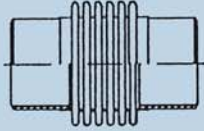

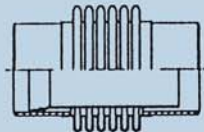

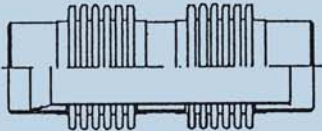

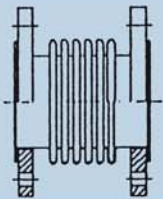

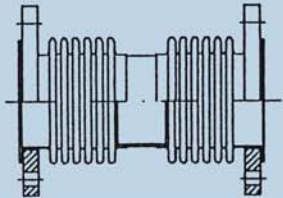

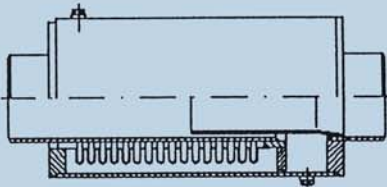

Metal hoses

Special fittings

Huippulaatua Saksasta
DN 10 - DN 5000

Axial expansion joints

Position	DN Nominal diameter range	PN Nominal pressure range	Direction of deflection	
1	50 . . 5000	100 . . 1	axial angular lateral	AN...R/R 
2	50 . . 5000	100 . . 1	axial	AF...R/R 
3	50 . . 5000	100 . . 1	axial	AMF...R/R 
4	50 . . 5000	100 . . 1	axial angular lateral	AN...B/B 
5	50 . . 5000	100 . . 1	axial lateral	AM...B/B 
6	50 – 200 250 – 1200 weitere Größen auf Anfrage	1 – 100 6 – 40 weitere Drücke auf Anfrage	axial	AA...R/R 

The combination of end fittings is possible; e. g. weld end on one side, loose flange with flat face on the other side, or round flange with flanged end on one side, weld end on the other side.

Detailed technical leaflets is available for all series.
